INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
AIDS Vaccine Advocacy Coalition

We have audited the accompanying financial statements of AIDS Vaccine Advocacy Coalition (a nonprofit organization), which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of AIDS Vaccine Advocacy Coalition as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

AIDS VACCINE ADVOCACY COALITION**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2014 AND 2013****Note 1 - Organization and Summary of Significant Accounting Policies****a - Organization**

AIDS Vaccine Advocacy Coalition ("AVAC") is an international non-profit organization that uses public education, policy analysis, advocacy and community mobilization to accelerate the ethical development and global delivery of AIDS vaccines and other prevention technologies and interventions. The purposes of AVAC shall be to:

- increase public awareness of and community participation in the efforts to advance the need for a well-funded, coordinated HIV prevention research program;
- identify and mitigate or eliminate barriers to the development of and access to new HIV vaccines and other prevention options; and
- promote increased resources for HIV vaccine and prevention research by government agencies, private industry, academia and non-governmental organizations.

For the years ended December 31, 2014 and 2013, approximately 97% and 89%, respectively, of total contributions were from one foundation and one government agency.

b - Cash and Cash Equivalents

For purposes of the statement of cash flows, AVAC considers all highly liquid debt instruments, including money market funds, purchased with a maturity of three months or less, to be cash equivalents.

c - Contributions and Unconditional Promises to Give

Contributions are recognized when the donor makes a promise to give to AVAC, that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

AIDS VACCINE ADVOCACY COALITION**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2014 AND 2013****Note 1 - Organization and Summary of Significant Accounting Policies (continued)****d - Property and Equipment**

Purchased property and equipment are carried at cost. Donated property and equipment are carried at the approximate fair value at the date of donation. Property and equipment are depreciated using the straight-line method over the estimated useful life of the related asset.

e - Grants

Grants are accrued at the time authorized. At December 31, 2014 and 2013, grants payable are due to be paid within one year.

f - Rent Expense

AVAC records rent expense associated with its office lease on the straight-line basis over the life of the lease (Note 8a). The difference between the straight-line amount and the amount actually paid in accordance with the terms of the lease is recorded as a liability and an expense in the accompanying financial statements.

g - Financial Statement Presentation

AVAC reports information regarding their financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

h - Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

i - Tax Status

AIDS Vaccine Advocacy Coalition is a not-for-profit corporation exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and has been designated as an organization which is not a private foundation. Management has evaluated all income tax positions and concluded that no disclosures relating to uncertain tax positions were required in the financial statements. AVAC's tax returns are generally subject to examination by taxing authorities for a period of three years from the date of filing.

j - Subsequent Events

AVAC has evaluated subsequent events through May 15, 2015, the date that the financial statements are considered available to be issued.
