

ADVOCATES' CORNER SCHEDULE

The Advocates' Corner is a virtual space where advocates and allies come together to meet with researchers, debrief with each other about R4P sessions or simply relax and catch up. The corner will offer a variety of sessions which are all open to the public—conference registration is not required—and span the two weeks of the conference.

HOW TO JOIN

Visit AVAC's Advocacy Corner page to find out more about each session, including how to register: avac.org/hivr4p

Hallway Roulette

Join a Zoom breakout room during the 20 minutes in-between sessions to meet with advocates and leaders in the field who will be dropping in!

Advocacy Rooms

Join other advocates for collaborative activities—including and contributing to a virtual “visible panty line” or make a sign with your top advocacy demand, all while connecting with other advocates. Or simply come for a few minutes of relaxation and to connect around the science of the day.

Advocates' Debrief

At the end of each conference day a space will be opened for guided discussion on the themes of the day. Attendees will be able to ask questions about the science and strategize how they will use the information in the conference (hallway roulettes, live Q&As, etc.) and in the weeks following.
