

# Do we need more than PrEP? Does choice matter?

**Sharon Hillier, Ph.D.**  
University of Pittsburgh

**Clemensia Nakabiito, , MBChB, MMed**  
MU-JHU Research Collaboration

**Meeting the HIV Prevention Needs of Adolescent Girls  
and Young Women**

**Kampala, Uganda – 24 August 2017**

# Women need options

**“Available” Now**

**Oral PrEP**

**Available 2019?**

**Vaginal ring**

**Results 2022?**

**Injectable**

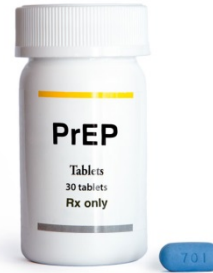

**Results 2021?**

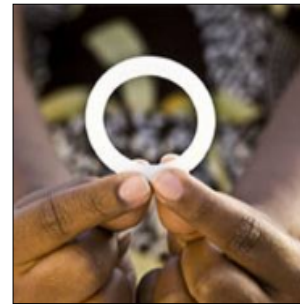

**Vaccine**

- PrEP is not a single solution, nor is it for everyone
- No product can protect against HIV if it is not used
- A product that best suits one's lifestyle and needs is more likely to be used
- Just as women have choices in contraception, they need choices for HIV prevention, too

# In Uganda: PrEP and more
